No. 1687/186 Dated 30-10-11. Received 31-10-11

Diary No. 1169	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Requests sanction of Govt for an extra grant of Rs 25000 for the structure.

Subd. NOTES AND ORDERS.

Mr Carr the late D.S of Police, was keen upon having a single building erected in the Fort, for the location therein of the City Central Police Station and the Office of the D.S.P. Bangalore

R. He requested Govt, in his Rr. 661/67 & 25/4/06 that a sum of Rs 30,000 might be placed at the disposal of the P.W.D, that

S

That a proper site might be purchased for Rs 5'940 and that the work might be carried out without delay. But all attempts of Govt to find out provision for the work failed that year and the matter ended in the Govt issuing an order No J 3124 of 9-4-'07 directing the Ch. Engr to make a provision of Rs 15000 for the purpose in the budget for 1907-08.

2 But in 1908-09, a provision for Rs 16000 was made in the budget for the same purpose, and for some difference of opinion on the structure, the work was not undertaken.

3 The present D.S. now states that, from an administrative point of view, it is not convenient to locate the Central Police Police Station and the Office of the D.S.P in the same building; and inasmuch as there is a proposal to appoint a full-time Supdt for the City alone, he would have a common building for the offices of the two Supdts. But the proposal of the appointment of a Supdt for the city alone is yet pending disposal before Govt, and it is not known whether it is quite essential just now to find make accommodation for a Supdt whose appt is yet under consideration.

4 The D.S. however, states, that he got prepared by the Ex. Engr plans and estimate amounting to

No. 1687/186

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 30th October *1911*.

FROM

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,

Offg. *Secretary to the Government of H. H. the Maharaja of Mysore,*
General and Revenue Departments.

SIR,

I have the honor to state that a provision of Rs.10,000 was made in the P.W. Budget for 1908-09 for the construction of the Central Police Station and the District Superintendent's office in the Fort, Bangalore City. The work was not undertaken because there was some difference of opinion about the structure which was not settled before the year was over.

2. On a further consideration, I decided that the location of Superintendent's office and the Central Police Station in one and the same building was an inconvenient arrangement from an administrative point of view and that the Central station should therefore be apart from the Superintendent's office.

3. I accordingly requested the Chief Engineer to furnish me with a plan and an estimate for the construction of the Superintendent's office in the Fort on the site set apart for the purpose opposite the present Central Police Station.

4. As a proposal was then made to Government to have a full-timed Superintendent for the City-which proposal when sanctioned would create a necessity for further accommodation. I suggested in my letter to the Executive Engineer that a two storied building would serve the purpose. I also forwarded to him a statement showing the accommodation required for the District Police Superintendent's office and City Superintendent's office.

5. The Executive Engineer, Bangalore sent the plans with an estimate amounting to Rs.30,000 for my approval. The designs were approved by me and returned to him for the work being executed.

6. The Executive Engineer now writes to say that there is a provision of Rs.5,000 only for the above work in the provisional P.W. Budget for the current year.

7. Further no provision of funds has been made for this work eitner in the Budget for 1909-10 or in that for 1910-11.

8. Under the circumstances, I request that you will be so good as to move Government to sanction an extra grant so that the work may be put on hand as early as possible.

I have the honor to be,

sir,

Your most obedient servant,

M.S.

for Inspector-General of Police.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 15 December *1911*

FROM

The *Inspector-General of Police in Mysore.*

To

The Offg *Secretary to the Government of H. H. the Maharaja of Mysore.*
General and Revenue Departments

SIR,

With reference to your letter No.J.1561/ Police 109-11-2 dated 17-11-1911 calling for certain particulars re the construction of the offices for the Superintendents of Police of the Bangalore District and the City, I have the honor to state that the Central Police Station is at present located in a building in the Fort Bangalore City, in which it formerly was and I have no intention of removing it from there.

2. With regard to the design for the proposed offices for the Superintendents of Police, Bangalore District and the City, I beg to state that the Chief Engineer in his letter No.9564 dated 26-10-1911 (copy of which is enclosed for information) proposed to start with a modest design and

and go on adding to the building as necessity arises and with this view a tracing of the new design was prepared and forwarded by him to me for my opinion.

3. I approved of the design and returned the tracing to him.

4. The plans called for by you are with the Chief Engineer.

I have the honor to be,

Sir,

Your most obedient servant,

M Lakshmana Sastry

For Inspector-General of Police.

S.S.G.

87

Letter No.9564 dated 26th October 1911 from the Chief Engineer of Mysore, to the Inspector-General of Police in Mysor Bangalore.

Adverting to your letter No.696 dated the 16th August last, I have the honor to state that the Executive Engineer, Bangalore Division, has submitted a design countersigned by you for the proposed offices for the Superintendents of Police of the Bangalore District and City.

2. The buildings are estimated to cost Rs.45,000/-. There may be difficulty in inducing Government to sanction such a large amount and the work may be delayed.

3. I gather from your letters that accommodation for the offices named is urgently required and I shall, therefore, be glad to know whether we may not start with a modest design and go on adding as necessity arises. With this view I have had a tracing prepared of what may be attempted immediately and forward it herewith for favor of your opinion as to whether this smaller building will not do for the present. The rear verandah and wings have been omitted from the design submitted by the Executive Engineer. They may be added on whenever funds become available.

4. As the detailed estimates have yet to be prepared, an early expression of your opinion will be estimated a favor.

The original plan also accompanies and may kindly be returned with your letter.
